FINANCIAL AND

MARKET WAS UNSETTLED. Opened Feverish, But Showed General Improvement Later.

New York, Sept. 1.—Widely divergent conditions helped to unsettle to-day's market and kept it in a state of ferment during the early session, with general improvement later. Further debasement of British, French and Italian exchanges to the lowest quotations ever officially recorded, was counterbalanced, in the speculative mind by the news that Garmany had mind, by the news that Germany had complied with this country's protests to the extent of abandoning her policy of marine warfare. This added evi-dence of Germany's counciliatory attitude seemed the more important fact-or and was followed by a sharp re-bound of prices.

In banking circles, however, there was no disposition to minimize the effect of the increased demoralization in international credits. Demand bills on London fell to 4.50, an overnight loss of 5 1-4 cents, and Paris checks at 8.09 represented a loss of 5 cents, or 4 cents under any rate hitherto quoted, while lires at 6.59 fell 5 cents under ed, while lires at 6.59 fell 5 cents under all previous rates. In the afternoon marked improvement was noted, sterling actually recovering in full at one time, while francs regained 8 cents to 6.01. Italian exchange hardened in sympathy, but the day's developments offered fresh proof of the immediate need for remedial measures.

There was a marked increase of bend mar School Books is full.

Except for the first hour, when prices were tending downward, and in the final dealings, which witnessed another meteoric rise in motors and kin-dred issues, trading was light and de-void of actual significance. Railroad shares derived fresh stimulus from favorable statements of earnings and the specialties rose on a mixture of the specialties rose on a mixture of war order rumors, together with manipulation. General Motors gained 21 1-4 to 240 1-2, a new record; Willys-Overland 8 to 188, Crucible Steel 9 1-4 to 94 and Studebaker 4 3-4 to 113 1-2. United States Steel sold up to 75 3-4, two points over its early low. Total sales amounted to 678,000 shares. Bonds were irregular, due largely to the heavy foreign offerings. Total sales, par value, aggregated \$3.755,000. United States bonds unchanged on call.

Giants Get First Game, New York, Sept. 1.—New York took the first game of a five game serjes from Philadelphia today, 6 to 5, thereby cutting down the leaders' lead in the pennant race. The Giants won the game with a four run rally in the eighth inning, when they knocked McQuillan out of

the box. Merkie was purposely passed but Fletcher drove in the winning run with a sacrifice fly. The work of Jim Thorpe, the famous Indian athlete, returned by Harris-burg, featured. He entered the game in the third inning bit a double and in the third inning, hit a double and two singles, scored two runs and stole a base. The score:

TEAMS HOLD SAME POSITIONS. Braves and Red Sox Make Banner Showings in Their Respective Leagues, While Phillies Remain at

The beginning of another week of play in the two major leagues finds the first division clubs in each circuit in the same relative positions as a week ago, with surprisingly small changes in percentage. The Boston Braves in the National league and the Boston Red Sox in the American have respectively made the best showings in their circuits, with the difference that the American league representatives already were at the top and have maintained their position, while the world's champions are playing an uphill game and still have some distance to go before reaching the altitude of their ambitions.

While it must be conceded that Stallings' men are making a fine fight, the ground they gained on the Philadelphia leaders during the seven day period was so inconsequential that it will have to be better in the weeks to come if the Bostonians are to beat out Morans' aspirants for pennant bonors.

Less impressive than for some yours

was the showing of the equally ambi-tious Brooklyns. Their even break in tious Brooklyns. Their even break in eight games cost them a few percentage points, and yesterday they were further away from the leaders than they were last Sunday, while the Bostons, in third place, are appreciably nearer to the second position holders. The Phillies, with five games won and two lost, made their gain at the expense of the Cincinnatis, from whom they took four straight sames. These they took four straight games. These more than made up for the two out of three they dropped to Chicago early in

on the road counting on their season-end stand at Fenway park to enable them to hold the advantage thus gain-

ed over their western rivals, who will be obliged to play away from home through the final stages of the race. The Tigers partly made up for their reversal at the hands of the Red Sox by taking four out of five games from the New Yorks. They lost instead of gained ground during the week, however, but are still well ahead of the Chicago team, which found New York easy but had a hard struggle with washington, who won two out of three games from Rowland's men, all of the games with the Nationals running into extra innings. The White Sox were set back by the Athletics on Saturday, an although they won their Sunday gam with the Mackmen, they are not much nearer to second place than they were a week ngo.

a week ago.

The Washingtons won the majority of their games, while New York lost 5 out of 11 played, including Sunday's game, despite the fact that they went through six consecutive games without making an error. Cleveland and Philipped Control of the control adelphia continue to lose with their usual regularity, while St. Louis, although getting better than an even break, failed to pull up appreciably.

Four Teams Well Up in Federal. Pittsburgh, Newark, Chicago, St. Louis and Kansas City are still in the hunt in the Federal league race, with hardly more than 30 percentage points separating the first club from the fifth. Pittsburgh, although defeated by Chi-cago in one of Sunday's games and going to a 0 to 0 tie in the other, still holds the lead by a narrow margin with Newark second and Chicago and St. Louis tied for third place.

three they dropped to Chicago early in the week.

The Brooklyns were playing much stronger ball as the week closed than when it began, for they lost three straight to the Reds to start with, but divided the series with St. Louis and obtained an even break on the week by taking a double header from the Pirates Saturday.

Neither Chicago, Pittsburgh nor New York did anything noteworthy, the Pirates' showing being the poorest, New York as the week closed was showing more class than for some time with Mathewson pitching in his old form and Tesreau likewise displaying his erstwhile ability to hold opposing batsmen in check.

traditions in this line of sport.

In Philadelphia there are several families which have done their share

toward perpetuating the game of polo. Charles E. Mather, who always has been a staunch friend to any sport in which horses are concerned, was one of the players of the earlier period, and now he has two sons in the field. The elder, Victor Mather, for several sea-sons has helped the Bryn Mawr team to achieve glory, while Gilbert, the younger son, is regarded as one of the most promising of the younger play-

DRIBBLE RULE UNIFORM. A. A. U. and College Basketball Are Now Alike.

For the first time in the history of basketball the amateur and collegiate rules for the game will be similar this year. During the winter the A. A. U officials held conferences and obtained a consensus of opicion from the different amateur basketball authorities as to their attitude toward uniform rules for collegians and the amateur fives. Since that time George T. Hepburn has discussed the matter with collegiate authorities, with the result that the basketball rules, when issued next month, will be alike for A. A. U. teams and for the college fives.

There were a number of different by the saketball rules and by the college fives.

Many Leading Players Inherit Their
Ability.

"Blood will tell" is an old axiom
which seems to run true to form when
tracing the influences of heredity in
relation to the game of polo. This is
proved by the fact that many of our
best polo players either inherit their
ability in this direction or show by
the preponderance of players of one
that the sport is apt to be a family
matter.

In speaking of this subject recently,
Aifred Stoddardt, a Philadelphia expert, had this to say:

But the gameness which he displayed

admiration of the Polo enthusiasts.

St. Louis played the best bail of any of the second division clubs and moved up to fifth place by taking three straight from New York and then splitting even in four games with Brooklyn. The Reds, after a long streak of fine playing, struck a snag when they met the Phillies and failed to score a victory in the Quaker City.

In the American League.

In the American league the Bostons bearded the Dotroit Tigers in their den and took the honors in an exciting three game series, one of the contests running to 12 and another to 13 infings. Moving on to Cleveland, the Red Sox met with a setback Friday, but more than made this good Saturiay by taking a double header from the Indians, and topped off the series with a Sunday victory by 1 to 0 in which of their prettiest to hold their lead while on their prettiest to hold their lead while on the road counting on their season. SPORTING NOTES

Many of the ex-Giants with ball ing than the Glants, amogn them Snodgrass, Gowdy, Stock, Bescher, Demarree, Becker and Bresnahan.

Ty Cobb is an unaccommodaties chap. The Feds started a fine story about offering Ty \$100,000 for three seasons and were in for some good advertising when Tyrus spiked the yarn. Even if the champion fan content was still on, the president of the Glenville Lumber company, Cleveland, would not stand a chance. He sued Joe Jackson for 527 after Joe's auto hit a lumber wagon.

Folk in England must be having a hard time finding a place to spend their money. Jack Johnson is appearing in London as the ster in a musical comedy and is surrounded by

cast of white actors. Yes, they do come back, some times Charles Hall, pitcher, with the Boston Americans several years ago, has been secured from St. Pau by the St. Louis Nationals. Hall wor 16 straight for St. Paul.

Cy Morgan, former Athletic star, is now an umpire. Cy has secured a place on Tip O'Neill's Western league staff. He started out the season as a pitcher, around Tulsa, Okla, but his offerings proved soft picking for the boys with the sticks.
